

# DRINKS & WINE LIST

# ABOUT OUR WINE

The wine we offer at The Farmers Daughter reflects our ethos...

1. We focus on wines made from grapes grown using organic or biodynamic practices in the vineyard.
  2. We buy from smaller, independent winemakers and wineries. Wines on our list are made with integrity and the utmost care.
  3. We want good, interesting wine to be approachable. So, we've grouped wines by price to make it easy
